

Rental Insurance Contract

Austin's Violin Shop provides maintenance on all our rental instruments. Rental fees include the cost of normal wear and tear, regular maintenance, broken or older replacement strings, and bow repairs.

Accident Insurance Coverage is optional for each rental instrument. Purchase of this insurance provides coverage for loss through theft or fire; a report from the police or fire department is required in those events. Accidents are covered, up to the replacement value of the equipment. Insurance rates may increase based on the damage value.

The replacement value of your rental equipment is \$_____.

Insurance does **not** cover gross negligence or malicious damage, nor does it cover damage from pets. The renter is responsible for repair or replacement costs if such damages occur. Sustained rough handling of the equipment will result in a charge to the renter based on the damage. Rough handling includes excessive scratches or gouges, and broken edges or corners.

Declining this insurance commits the renter to charges for any damage outside of normal use, up to the replacement value of the equipment.

***Standard Quarterly Insurance Rates:**

Violin/Viola..... \$10.00 per quarter

Cello..... \$15.00 per quarter

Bass..... \$20.00 per quarter

The insurance premium is due along with the quarterly rental fee. Insurance coverage will be provided for those renters who have signed up for coverage and are current with premium payments.
